

A top-down view of a white ceramic cup filled with yellow tea, with a pink rose petal floating on the surface. To the left of the cup is a clear tea bag filled with dark tea leaves. A gold-colored spoon with a silver handle lies horizontally between the cup and the tea bag. The entire scene is set on a white marble surface with grey veining. In the top left corner, a portion of a grey stone platter with pink flowers is visible.

Sip n' Spa
